ALOY

Aloy is curious, determined, and intent on uncovering the mysteries of her world. Shunned by her own tribe since birth, she has learned to harness her agility, cunning, and deadly aim to hunt the machines and survive in the unforgiving wilds.

Aloy is wearing a bodice made of strands of natural material such as leaves and reeds found near the Utaru tribe and decorated with tasseled fabric rolled up and draped around her shoulders and neck as a scarf.

▲ BRACERS
